Saints Row

GAMER

2006 Saints Row

Saints Row is a 2006 action-adventure game developed by Volition and published by THQ exclusively for the Xbox 360.

It was released in 2006.

Set within the fictional city of Stilwater, based on Detroit, the single-player story follows a player-created character who joins the 3rd Street Saints gang after they save his life, and helps them rise to prominence by undermining enemy criminal syndicates, while slowly building up his own reputation within the gang.

Saints Row GAMER

2006 Saints Row

The storyline is non-linear, and divided into three separate story arcs for each rival gang that the player must defeat.

Story missions are unlocked by trading in "Respect" points, currency earned by completing mini-games and side-missions. Outside of the main story.

Saints Row GAMER

2006 Saints Row

Players can freely roam Stilwater, consisting of two main islands.

The game is played from a third-person perspective and its world is navigated on-foot or by vehicle.

Players can fight enemies using a variety of firearms, and call in non-playable gang members to assist them.

Saints Row GAMER

2006 Saints Row

An online multiplayer mode allows multiple players to engage in a variety of cooperative and competitive game modes.

Saints Row received generally positive reviews upon release, with many critics favorably comparing it to the Grand Theft Auto series.

Saints Row sold over 1 million copies by the end of 2006.

Saints Row

GAMER

2006 Saints Row

At the beginning of the game, players create their character through a system that allows them to customize his ethnicity, fitness, face and hairstyle.

After completing the first mission, players are then given free roam over the game's open world.

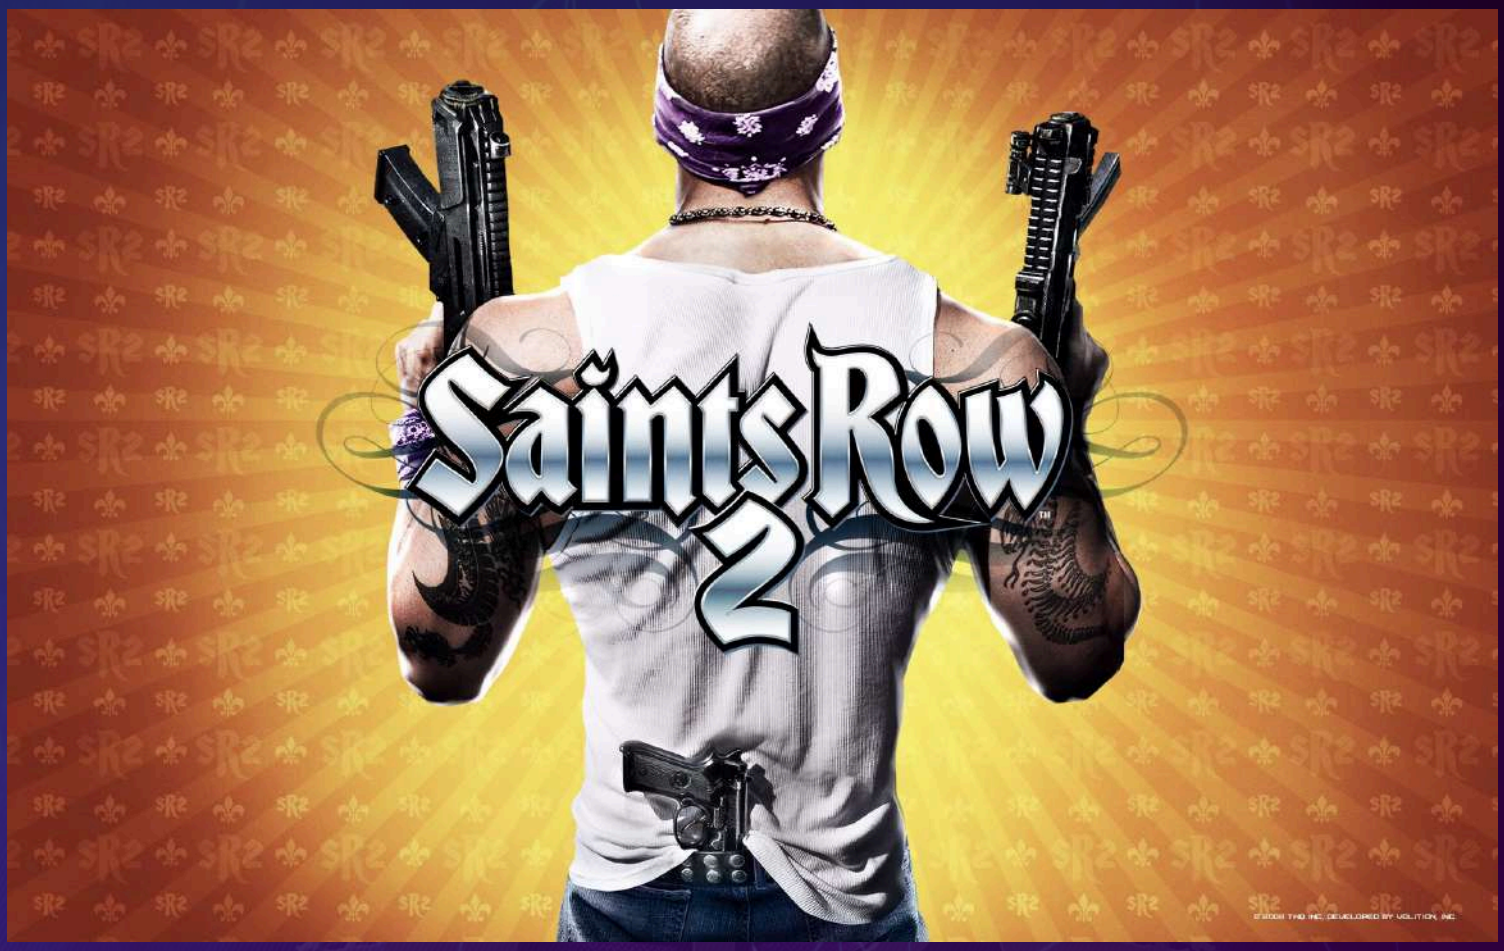
The fictional city of Stilwater, which is modeled after Baltimore, Detroit, and Chicago.

The game makes use of third-person view, which allows players to freely rotate the camera around their character.

Players can run, jump, swim or utilize cars to navigate the world.

The player can further alter the appearance of their character at clothing stores, tattoo parlors, barbers and jewelers.

and tune vehicles at chop shops.

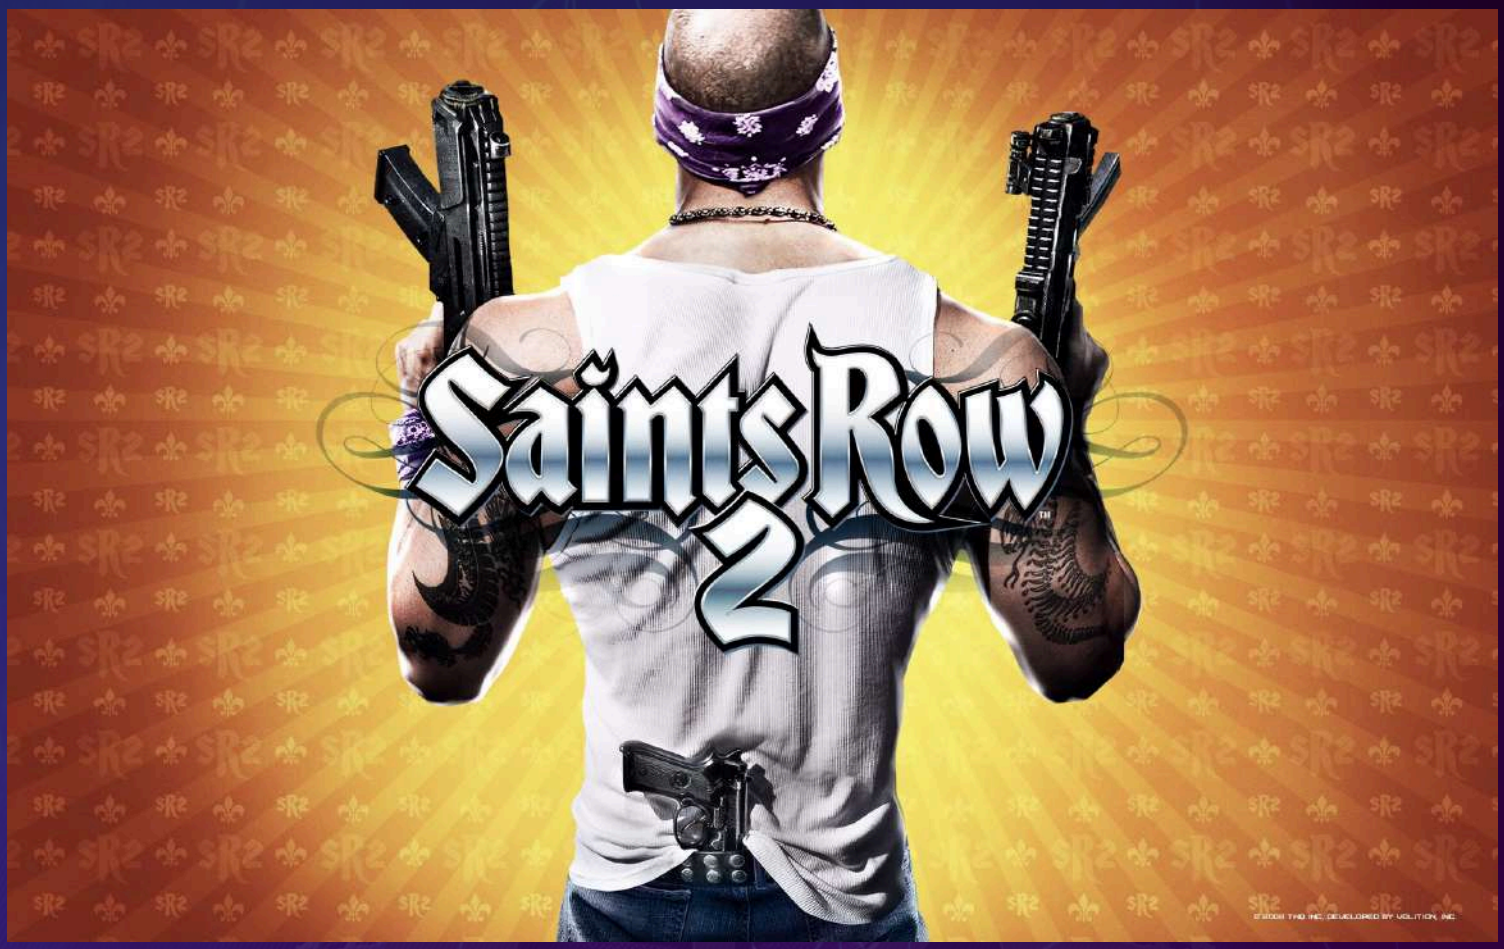


2008 Saints Row 2

Saints Row 2 is a 2008 action-adventure game developed by Volition and published by THQ.

It is the sequel to 2006's Saints Row and the second installment in the Saints Row series.

The game was released in October 2008 for the PlayStation 3 and Xbox 360, January 2009 for Microsoft Windows, and April 2016 for Linux.



2008 Saints Row 2

Saints Row 2 directly follows from the events of the first game, as the player's custom character awakens from a coma after five years to find that their gang, the 3rd Street Saints, has been disbanded, and their former territories taken over by newly-formed criminal syndicates and a corrupt corporations.

With the help of new and old allies, the player attempts to rebuild the Saints and take back Stilwater from their rivals.
